## SESSION DESCRIPTIONS

### ACCOUNTABILITY

#### OK SCHOOL REPORT CARD DASHBOARD & REPORTING TOOLS

MARIA HARRIS & MISTY ARGAWAL

In this session on the new accountability system and interactive dashboard, you'll learn how to leverage new reporting tools to know more about your school.

#### OKLAHOMA SCHOOL REPORT CARDS

MARIA HARRIS & MISTY ARGAWAL

In this overview of the accountability system developed in compliance with federal requirements of the Every Student Succeeds Act, we will discuss indicators, weights, inclusion rules, data sources and timelines.

### ADMINISTRATION

#### CONSEQUENCES OF EXCEEDING 140 CHARACTERS

BRAD CLARK

It doesn't take long to tweet your way into trouble. If you don't know the risks, you and your district can face damage to your reputations, lawsuits, professional licensure actions, even criminal proceedings. The best preventive practice is for districts to adopt clear policies and training on use of social media and interaction with students on those platforms. Examples include Twitter, Facebook, texting and Instagram.

#### FISCAL YEAR 2020 BUDGET OVERVIEW

CAROLYN THOMPSON

Learn about budget updates for the new fiscal year - and have questions ready for us.

#### TITLE IX TRAINING

ROBYN MILLER

Understand the comprehensiveness of Title IX rules and regulations, including the roles and responsibilities of district coordinators.

#### ETHICAL DILEMMAS IN THE EDUCATION SETTING

ROBYN MILLER & BRAD CLARK

On average, educators make at least 1,500 decisions a day. The simulation activities in this session will allow participants to examine short-term ethical decisions that impact long-term consequences.

#### VALUING ALL STUDENTS

ROBYN MILLER & JASON STEPHENSON

Learn ways to make your classroom a safer and more inclusive environment for all students. We will discuss and reflect on scenarios about students who are impoverished, English learners or LGBTQ.
