

ENGAGEOK WELCOME

JOY HOFMEISTER

STATE SUPERINTENDENT OF PUBLIC INSTRUCTION
OKLAHOMA STATE DEPARTMENT OF EDUCATION

WELCOME to the second annual EngageOK Summer Education Conference! Last year, an estimated 6,000 teachers, administrators and parents joined us for three days of collaboration, professional development and fellowship in Oklahoma City. They traveled from every corner of the state to share and take home new ideas – and to be among the first to give feedback on the preliminary draft of the Oklahoma Academic Standards for Mathematics and English Language Arts.

Professional development is more important than ever, as we begin to implement our newly adopted standards, written for Oklahomans by Oklahomans, and provide new information about the federal Every Student Succeeds Act (ESSA).

As you are aware, funding cuts have severely impacted every public school in our state. That's why we've decided to bring the conference to you! In an effort to alleviate additional strain on your district and personal travel budgets, we are presenting EngageOK in a series of six regional conferences. Many have worked hard to bring you the same rich and meaningful professional development as EngageOK offered last year with your convenience and budget realities in mind.

It is our hope that the conference nearest you will connect you with your fellow teachers and inspire greater kinship and collaboration within your community. After all, we share the same goal: to advocate and lift outcomes for our kids in order to present them with the best future possible.

I can't wait to see you in July. Let's engage on how we can elevate public education in Oklahoma.

With great respect and gratitude,

Joy Hofmeister
State Superintendent of Public Instruction

CONFERENCE KEYNOTE

JOY HOFMEISTER

STATE SUPERINTENDENT OF PUBLIC INSTRUCTION
OKLAHOMA STATE DEPARTMENT OF EDUCATION

On January 12, 2015, Joy Hofmeister of Tulsa was sworn in as Oklahoma’s 14th State Superintendent of Public Instruction. She has championed a host of education reforms, including the Every Student Succeeds Act (ESSA), which replaces No Child Left Behind and returns autonomy to states and local districts. In February 2016, Hofmeister was one of four officials to appear before a U.S. House subcommittee in support of ESSA.

In the midst of a dire state budget crisis, Hofmeister has led a number of efforts to improve public education in Oklahoma. She has consistently advocated for raising teacher pay to the regional average, and in spring 2016, her plan to offer the ACT to every high school junior in Oklahoma was met with wide participation. She was the architect of a new law that repeals end-of-instruction exams, requires improvements to the state’s school accountability system and ushers in a new culture of meaningful instruction that focuses on lifting outcomes for every student.

After taking office, Hofmeister insisted on greater transparency and wider stakeholder collaboration in the development of new academic standards for English language arts and mathematics. The standards were adopted in March and will be implemented and assessed in the 2016-2017 school year.

In addition, under her leadership, new laws have been enacted that strengthen the Reading Sufficiency Act, improve student safety, eliminate teacher evaluation Value-Added Measures from state mandate, reduce bureaucratic red tape and combat the teacher shortage.

In December, Congress passed the new Every Student Succeeds Act (ESSA), the federal education law that replaces No Child Left Behind. ESSA, which restores many aspects of education policy and decision-making back to state and local education authorities, requires states to gather stakeholder feedback for use in their comprehensive plans. Join State Superintendent of Public Instruction Joy Hofmeister for a special discussion and ensure your voice is heard as we shape the future of public education in Oklahoma. Bring your own sack lunch and join the conversation.
